

## Luggage Carts

**NERVAL CORPORATION** Care & Maintenance documents provide guidelines on how to care for your NERVAL product. Failure to comply with NERVAL's Care & Maintenance documents voids product warranty.

### *Housekeeping Carts*

NERVAL luggage carts are preassembled and built with brass pipes. To ensure your bellmen are equipped to serve your guests well, it is important to maintain your luggage carts. As part of a regular maintenance routine, you should:

- Check, repair, and replace bumpers if needed. Contact your Nerval representative for replacement bumpers.
- Clean carpet deck regularly. Vacuum often and shampoo occasionally.
- Clean and lubricate casters when needed.
- Disinfect pipes to prevent the spread of germs..

Please contact your Nerval representative if you have additional questions or concerns.
